Operation Enduring Freedom
Sponsor: Environmental Chemical Corporation

March 11 — 5:30 pm

Location: Spaghetti Warehouse, 221 E. Brady
Young Members Event—"Engineering Blunders"
Sponsor: Wallace Engineering

April 23 — 11:30 am

Location: COE, 1645 S. 101 E. Ave., Room 210
Construction & Performance Monitoring of the
World's Longest Continuous Zero Valent Iron
Permeable Reactive Barrier
Sponsor: HydroGeologic Inc.

May 1 — 10:30 - 11:30 am Env Discussion & 1:00 pm Shotgun Start

Location: Clary Fields / Scholarship Golf Tournament
& Environmental Contracts Discussion

June — No Meeting — Summer Break

July 14 — 11:30 am

Location: COE, 1645 S. 101 E. Ave.
Contracting Panel —
Sponsor: Cyntergy AEC LLC

August 19 — 11:30 am

Location: Oklahoma Air National Guard
Readiness — Homeland Security
Sponsor: URS

September 9 — 11:30 - 2:30 pm

Location: COE, 1645 S. 101 E. Ave.
Small Business Networking Forum
Sponsor: ALL Consulting

October 2 — 5:30 pm

Location: Webber Falls / Waterway Inspection Tour
(Barge Ride) with Live Entertainment
Sponsor: Weston Solutions

November 19 - 21

Location: Oklahoma City / Texoma Regional

December 11 — 5:30 pm

Location: Petroleum Club of Tulsa — Holiday Social
Sponsor: Open

September Meeting Small Business Networking Forum

The September meeting will be focused on small business opportunities and utilization. John Roberts, the Deputy District Engineer for Project Management for the Tulsa District, US Army Corps of Engineers, will facilitate the meeting.

The forum will be held at the Tulsa District, 1645 S. 101st E. Ave. in Conference Room 210, beginning at 11:30 am with lunch provided by ALL Consulting. John Roberts will be the luncheon speaker and will discuss the Corps' Project Management Business Process and the special contracting tools which are available to the Corps to reach out to small business.

A representative from each business in attendance will be encouraged to provide a "two minute spotlight" on their company, and tabletop space will be available for brochures, etc. from small businesses.

The meeting, from 1:00 pm through 2:30 pm, will involve round table discussions to brainstorm ideas for improving the small business program. Tulsa District's Small Business Manager, Yolane Hartsfield, and other Tulsa District leaders will participate in these discussions.

Please call Yolane with any questions: 918.669.7530.

Lunch will be provided by the August meeting sponsor:

ALL Consulting.

August Meeting

SAME would like to thank our speakers again for their outstanding presentations on Readiness! Thanks goes to:

Lee Bass, Corps of Engineers, Little Rock
Dave Bear, Mayor's Citizen Corps Volunteer Program
Mike McCool, Tulsa Emergency Management Office

Lunch, speaker's gifts, and scholarship raffle prize sponsored by August's spotlight/sponsor firm: **URS**

2003 STREAMER AWARD TRACKING

In this section of our monthly newsletter, we will be tracking all activities that count toward our awards and streamers for 2003. If you have an idea for an activity or program, please contact John Roberts, Programs Chairperson. Suggestions are always appreciated.

Top Post Streamer—COL Suthard

Only Posts which win the Distinguished Post and Membership Streamers are eligible. Award is based on the total number of streamers won, the quality of programs/activities in support of the Society's 2003 Annual Plan, and the level of participation in Post meetings and activities.

Grand Slam Streamer—COL Suthard

This award distinguishes a Post that wins all of the streamer awards.

Distinguished Post Streamer—COL Suthard

Large Post's must win at least six streamers, including Education, Programs, & Readiness and have submitted a financial report for the previous year to be eligible.

Communications Streamer—MAJ Connor

Post must maintain a website, which is linked to National, and updated regularly. Names of officers & committee chairs must be posted on the website and the Post must utilize electronic mailings of newsletters or flyers to its members on a regular basis.

Education Streamer—Gene Lilly

Post must progress in at least of three of the four categories to win.

- 1) Promote engineering education and appreciation of military engineering to HS and college students.
- 2) Support Continuing Professional Competency through its program and (as a bonus) issue PDH or CEU for one or more programs during the year.
- 3) Sponsor a scholarship program that awarded one or more scholarships to HS or college students during the year.
- 4) Maintain an active mentoring program and a partnership for HS and/or college students.

- February—\$1,000 scholarships awarded to: Ms. Rachna Rai (OU), Ms. Zhila Shariat

- (OSU), and Mr. Jeff Ostrander (OSU) in February.
- February—\$500 awarded to Rogers H.S.'s JROTC Program.
- February—Tulsa Post sponsored six HS students for "Engineer for a Day."
- March—David Steele educates members on how SAME can assist in acquiring CEUs.
- March—\$1,000 scholarships awarded to JROTC students: Aaron Runk & Rachael Gafford (Will Rogers HS).
- May—Annual Golf Scholarship Tournament held to raise money for the Post Scholarship Program.
- May—\$1,000 scholarships awarded to Rebecca Larson (Broken Arrow HS) and Kevin Murray (Metro Christian Academy).
- August—Two students sponsored to attend the 2003 SAME Construction Camp. Presentation was given by these students at the August meeting: Cassie Davis & Teresa Zeltner.

Knowledge Management/ Information Technology Streamer—John McLearn

Post must demonstrate progress in at least two of the three categories.

- 1) Facilitate programs that promote information sharing of the engineering process across the military engineering community.
- 2) Conduct one meeting, workshop, or other event that promotes KM/IT.
- 3) Web page must meet specified criteria.

- Web page meets National criteria.
- February—Presentation from the USACE on Field Force Engineering.
- March—Technical presentation on Structural Engineering Blunders or What Not to Do in Structural Engineering.
- April—Technical presentation on the Permeable Reactive Barrier.

Membership Streamer—Robert Day

Post must show a net increase in membership for Individual Members (excluding SM reps) and a net increase in SM firms.

Programs Streamer—John Roberts

Post must hold a minimum of nine meetings or activities with programs supporting the 2003 Annual and Strategic Plans. At least one program must be focused on YMs, one program must be partnered with another professional society, and must have one community service activity.

- January—Induction of new officers, State of the Post Address, and Scholarship Presentation.

- February—USACE Field Force Engineering Program, A Report on Operation Enduring Freedom, Scholarship awarded.
- March—Young Member Event, Presentation: Engineering Blunders.
- April—Technical Presentation on Construction & Performance Monitoring of the World's Longest Continuous Zero Valent Iron Permeable Reactive Barrier
- May—Annual Scholarship Golf Tournament AND Environmental Discussion
- July—Contracting Panel (TD USACE, GSA & Fort Sill)

Readiness Streamer—Major Blickensderfer

Criteria includes operating a Post Readiness Committee; establishing and maintaining a viable, interactive readiness program among all available local, state, federal, and civilian entities; conduct programs on readiness; and be actively involved in planning for disaster/contingency exercises and/or actual contingency operations.

- Post Readiness Committee headed by Maj. Blickensderfer.
- Readiness Plan being updated this year.
- August presentation on Readiness. Speakers included: Lee Bass, COE Little Rock District; Dave Bear, Mayor's Citizen Corps Volunteer Program; and Mike McCool, Tulsa Emergency Mgmt Office

Swimmer Streamer—COL Suthard

Post must hold at least one general membership meeting in each month for nine different months.

Youth Member Streamer—Dawn Rice

Post must be at least a majority of the following criteria:

- 1) Increase in YMs.
- 2) SM involvement in YM activities.
- 3) YM events
- 4) Maintain an active college mentoring program.
- 5) Assist area schools.
- 6) Devote Post newsletter section to YM.

- February—Rogers H.S. JROTC presented the Colors.
- February—Roger H.S. awarded \$500 for its JROTC Program.
- March—Young Member Event Meeting at Spaghetti Warehouse.

August Spotlight Firm: **ALL Consulting**

Serving federal, state government and industry clients in more than 30 states and several foreign countries, **ALL Consulting** is a leading small business provider of services related to environmental science, oil and gas exploration/production, E-commerce, data management, computer software and hardware for networks.

Our teams professional experience and qualifications rest with the actual individuals who are working on projects. We simply propose real experience, real knowledge and the time for the tasks at hand. Embodying signification local/regional/nationwide knowledge, talent and drive, our team has delivered on a wide array of projects as they relate to environmental and data management services.

Our federal customers look to ALL Consulting for leadership in environmental training and sustainability technical support. Additionally, ALL has provided comprehensive environmental GIS tools for visually presenting data related to Army facilities, statewide oil and gas commissions and for the Department of Energy site specific spatial analysis projects. Other services have included design of a tank wash facility, restoration of ecosystems and various HTRW and NEPA services.

Coordinating with federal agencies, state governments, and local stakeholders, ALL has provided a broad variety of assistance and products related to the production of Coal Bed Methane including comprehensive handbooks on Best Management Practices and Beneficial Uses of produced water.

Founded in 1999, ALL Consulting is headquartered in Tulsa, Oklahoma with office locations in the St. Louis Metro area and Houston, TX. ALL was selected in 2002 as one of Tulsas fastest growing companies in sales volume over the previous three years. Today, ALL employs 30 professionals and is certified as a SBA HubZone company.
