Welcome to February and another edition of the Tulsa Post newsletter! On January 19th, we installed our 2010 officers and were also able to present J. D. Metcalfe $1,000 scholarships to three well deserving college students. Congratulations to Dane Miodov and Blake Cannedy, both are Army ROTC students at Oklahoma State University, and to Jon Guillen who is an Air Force ROTC student at the University of Oklahoma. Thank you to David Epperly from ALL Consulting and his team for reviewing the applications and making the selections.

On February 20th and 21st, the Post will participate in the Tulsa Regional Science and Engineering Fair. Several post members have volunteered their time to judge entries of high school students from across the Tulsa area. Then on February 21st, COL Snyman and I are scheduled to present Army and SAME awards to the top entries in several different science and engineering categories. A big thank you to Chris Strunk, from the Tulsa District Corps of Engineers, for organizing all of the volunteers and awards for this great activity.

We are looking forward to a great year for the Tulsa Post. We have many solid programs and opportunities scheduled. A great outing to Webbers Falls is planned for March. April will bring our joint Small Business Conference with the Arkansas Post to be held in Tulsa this year. The National SAME Conference will be held in Atlanta in May. Also, look for details about an upcoming Young Member event!

Looking forward to a great 2010!

Charley Wall
2010 Tulsa Post President
Activities for E-Week 2010:

E-Week Engineers Luncheon: Wednesday, February 17th at the Tulsa Country Club. The topic for this event is the Boeing 787 Dreamliner. See attached E-Week registration form on page 3 of this newsletter. Deadline is February 12th.

E-Week Student Breakfast: Friday, February 19th at the Southern Hills Hilton Hotel. The breakfast program will be followed by a series of presentations for the student guests on engineering careers in various disciplines. Table sponsorships available. See attached E-Week registration form on page 3 for details.

MATHCOUNTS Regional Competition: Saturday, February 20th. Judges and Proctors are needed.

For more information about E-Week, contact Gaylon Pinc at ggpinc@pmgtulsa.com

Tulsa Regional Science and Engineering Fair

February 26-28, 2010

The Tulsa Regional Science and Engineering Fair will be held during Engineers Week February 26-28, 2009 at the Tulsa Community College at 10300 East 81st South and US Highway 169, Tulsa. Judging will take place on Saturday, February 27th between 8:00 a.m. and 5:00 p.m. The awards presentation for 1st, 2nd, and 3rd place will occur on Sunday, February 28th at 2:00 p.m. SAME is a proud sponsor of this event and is looking for volunteers to assist with the judging of the projects for the Army and SAME awards.

For more information, contact:
Chris Strunk
US Army Corps of Engineers, Tulsa District
christopher.b.strunk@usace.army.mil

Location: Tulsa Community College, 10300 East 81st Street South, Tulsa
Friday: Project setup and judging will take place in the Science and Mathematics Building
Saturday: Regional Fair Judging and Special Awards Judging.
Sunday: Public visitation will take place in the Science and Math Building along with the public awards presentation in the VanTrece Performing Arts Center.
2010 Engineers Week Events - February 14 - 20
