# ***Tulsa Post Scholarship Opportunity!***

The Tulsa Post of the Society of American Military Engineers (SAME) is pleased to announce plans to award **two \$1,000 scholarships to senior high school students** who intend to earn a degree in engineering, biological science or physical science.

Students from high schools in the Tulsa area who meet the following eligibility requirements will be considered for the scholarship awards.

- Applicants must enroll in a curriculum that will lead to an accredited engineering, physical science, or biological science degree. The SAME scholarship awards are contingent upon the winners being accepted for admission at Langston University, Northeastern Oklahoma A&M College, Northeastern State University, Oklahoma State University, Oklahoma University, Oral Roberts University, Tulsa Community College, or Tulsa University. Other universities outside the State of Oklahoma are acceptable if the student is nominated by a Tulsa Post SAME member.

- Applicants must have a maximum ACT composite score of 30 (ACT score 30 or less).

- Students who accept Nation Merit or Oklahoma Regents Scholarships are ineligible to receive SAME scholarships.

- Applicants must be United States Citizens.

The Tulsa Post of the SAME wants to award the

scholarships to students who have the desire and ability to become excellent engineers, physical scientists, or biological scientists. Our eligibility requirements; therefore, do no limit the scholarship opportunity to those students with the best grades or the highest ACT scores. We are depending on SAME members, guidance counselors and teachers to identify students who are most deserving and who might not otherwise qualify for scholarships based primarily on academic achievement.

These scholarships are not limited to students interested in military careers. All applicants interested in engineering, biological science or physical science that meet the above eligibility requirements will be considered.

Go to the Tulsa Post website to download your application packet at [SAME.org/tulsa](http://SAME.org/tulsa) and follow the link on the left. ***The application packages must be postmarked by April 7, 2006, and returned to:***

**Tulsa Post, Society of American Military Engineers**

**Attention: CESWT-PE-P (Gene Lilly)**

**Tulsa District, U.S. Army Corps of Engineers**

**1645 South 101st East Avenue**

**Tulsa, OK 74128-4629**

Thank you for your assistance with this scholarship program. If you have any questions, please contact Gene Lilly at [Douglas.E.Lilly@usace.army.mil](mailto:Douglas.E.Lilly@usace.army.mil) or 669-7196.

## ***Membership Renewals***

Dear SAME Members,

Please consider this your friendly reminder that your Tulsa Post SAME membership is about to expire. You may renew online at the SAME National website [same.org](http://same.org), or if you prefer, you may download a printable application, in order to mail in your renewal through the USPS.
