The Justin Noyes Scholarship

The Society of the American Military Engineers, Tulsa Post, is proud to announce the naming of an annual scholarship in honor of Marine Sergeant Justin Noyes, an American Hero, who fought and died while serving our country in Fallujah, Iraq.

Named for a remarkable young man who was fiercely dedicated to the service of our Nation, the scholarship recognizes students whose accomplishments; associated with scholarship, leadership and love of country; are honored by SAME and mirror the accomplishments of Sergeant Noyes.

Beginning in 2007 the SAME will award a specially named \$1,000 scholarship to an outstanding high school senior student who possesses an extraordinary passion for service, as Justin did, and plans to utilize their careers and interests to enhance the lives of others.
